IT IS HEREBY STIPULATED AND AGREED by plaintiffs and counterdefendants, PERNOD RICARD MEXICO, S.A. de C.V. and PERNOD RICARD USA, LLC, and defendant and counterclaimant, TEQUILA TAZON, INC., each acting through their undersigned counsel, that:

- 1. On August 28, 2007, the Court entered an Order based upon the Stipulation of plaintiffs and counterdefendants, PERNOD RICARD MEXICO, S.A. de C.V. and PERNOD RICARD USA, LLC, and defendant and counterclaimant, TEQUILA TAZON, INC., that (i) the time for satisfaction of the ADR requirement in this case be extended to and through October 10, 2007; and (ii) the Case Management Conference, then calendared for Friday, August 31, 2007 at 10:00 a.m., be continued and re-calendared to Friday, October 19, 2007, at 10:00 a.m.
- 2. A mediation was calendared for September 26, 2007 before the mediator, James Gilliland, Esq., that was based upon the referral to mediation by the Court in its Minute Order dated May 25, 2007.
- 3. In advance of such mediation on September 26, 2007, the parties, alone and subsequently with input from the mediator, commenced exploratory discussions concerning a settlement of the case prior to a mediation occurring. Such discussions are continuing, and, for that reason, the mediation calendared for September 26, 2007 was postponed.
- 4. The parties to the mediation and the mediator have now preliminarily concurred on the dates of November 7, 8, 9, 14, or 16, 2007 for either re-calendaring the mediation or seeking the mediator's services in connection with ongoing settlement discussions. Such dates are the first available dates on the mediator's calendar for him to participate.
- 5. Following the May 25, 2007 referral by the Court of this case to mediation, the time for satisfaction of ADR in this case will extend beyond the ninety (90) day requirement set forth in ADR Local Rule 6-4(b).
- 6. The parties to the mediation and their respective counsel believe that an enlargement of time for satisfaction of ADR in this case to and through November 28, 2007 will permit those parties and the mediator to commence and work at efforts to reach a settlement of

4	parties to the mediation and their respective counsel request that the Case Management			
5	Conference, which is now calendared for October 19, 2007 at 10:00 a.m., be continued and re-
